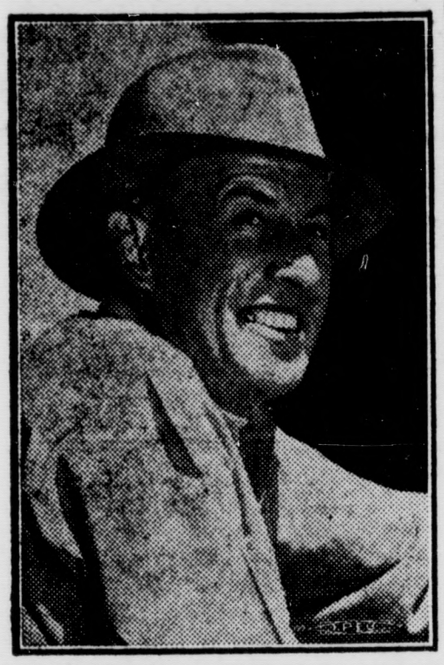
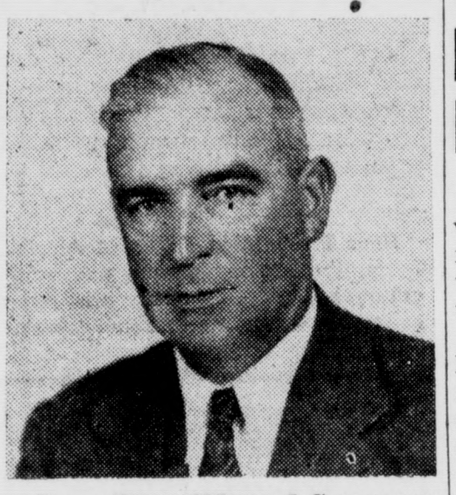
Daly City Record

DALY CITY, SAN MATEO COUNTY, CALIFORNIA, Published Wednesday — WEDNESDAY, SEPT. 3, 1941 — VOL. 37, NUMBER 30

Their Names Made News This Week



Congressman John Z. "Jack" Anderson, will address a large crowd of Lions and their friends at today's luncheon meeting at Villa Mateo. He will tell the local group about his experiences in Washington and give his views on the national defense program.



Councilman Edmund Cavagnaro is chairman for the big Eagles baseball game, planned for next Sunday, at Jefferson diamond. The "married" will play the "single" men.

Chief of Police Reardon

"Motorists, have a care!" was the warning issued this week by Police Chief James G. Reardon: With hundreds of Daly City youngsters now back at school, the need for driving caution is greatly increased, Reardon pointed out.

Announce Baseball Games For Sunday

The El Rey Builders will take on the Daly City Juniors at 11 a. m., Sunday, at Marchbank field, it was announced by Al Erle, booker, today.

The 2:30 p. m. game was still unbooked, but Erle assured that "two good teams will be giving the best they have, Sunday."

At Jefferson Union high school the Colma Merchants will play Arc Electric, a team which has frequently played at local fields.

Police Chief Asks For Cooperation

Maybe we're not at war, but every holiday has its toll of casualties anyway—automobile accidents.

Daly City, however, did not have a single serious accident over the three-day holiday, it was reported by Police Chief James G. Reardon.

"Traffic at times—especially Monday night—was quite heavy," he said, "but with the Daly City force policing vigilantly, there were no serious mishaps in this area."

Local Draft Board Prepares For Call

Along with the 283 other local draft boards, Daly City's No. 103 is making preparations to meet the requirements of the army for induction of 3,178 California selective service trainees in September.

The local board has received back almost all the questionnaires it has sent to potential draftees to be taken in the sixteenth induction period this month.

According to Brigadier General Joseph O. Donovan, California state director of selective service, issuance of a call for a given number of men for any month does not necessarily mean that they will all be inducted into the army on specific dates. He pointed out that corps area commanders may induct trainees as they require them.

Launch Huge Local Bowling Tourney

Starting Friday, September 12, will be the biggest bowling tournament involving Daly City teams since the Daly City Record tournament four months ago.

It is called the Daly City League and includes eight teams: Sheriff's Office, captain, George Creel; Curry's Barbers, captain, Cliff Curry; Shell Oil, captain, Peter Conci; Eagles, captain, Julie Selmi; Milo's, captain, Tony Milo; Universal Press, captain, Johnny Dell; Daly City Cleaners, captain, Harry Mendelsohn; Daly City-Colma Lions club, captain, Larry Comer.

President of the league is George Creel; vice-president, Johnny Dell; treasurer, Cliff Curry; secretary, R. L. Crane jr.

Every team will play each other three times during the 21-week tournament. The first night of play, at the Steel Bowl, South San Francisco, where the tournament will be played, will be without handicaps. The result of the first round of play will determine the handicaps to be awarded for the rest of the tournament.

Two Officials To Attend Conclave

There won't be much about the latest methods in fire fighting and equipment that the Daly City Fire department won't know when Fire Chief A. P. Chesney and Assistant Fire Chief A. J. Bodien get back from the meeting of the Pacific Coast Fire Chiefs' association in Reno, next Monday, Tuesday, and Wednesday.

The two local firemen intend to relay all the information they get at the conclave to the members of the local fire force.

Main topic of discussion will be the relation of the city fire departments to national defense.

A New York batallion chief, sent by Civilian Defense Chief Fiorello La Guardia to England to observe fire fighting in England, will be one of the main speakers.

Attending the meeting will be fire chiefs from the seven western states. All the latest innovations in fire fighting methods will be exhibited.

The local pair will leave for Reno, Sunday morning, arriving there the evening of the same day.

Bepler Sidewalks Near Half-Way Mark

Residents living along the steep incline of Bepler street, watching with interest the gradual progress of work on the street, have noted that the sidewalks are about half completed.

The grading is nearly done, and the resurfacing, that is the laying

That's Right— Somebody Stole The Car

Edward Gray, 76 Willits street, left his garage door unlocked, Monday evening, and, sure enough, his car was stolen.

The automobile was a 1941 Tudor Ford sedan. A neighbor on Willits street reported that he had seen a "suspicious" character near Gray's home the day before.

San Francisco police have broadcast a description of the car.

Anderson To Speak At Lions' Luncheon

Congressman John Z. "Jack" Anderson, representative from the eighth congressional district, will address the Daly City-Colma Lions club, today at noon, at Villa Mateo, it was announced by Secretary R. L. Crane jr. and H. H. Smith jr.

This will be his only public appearance on the Coast before he returns to congress. Those Lions desiring to attend this luncheon may do so by making reservations at the Villa Mateo or by telephoning Randolph 0700.

Every member is expected to bring a guest with him. A large crowd will be on hand to hear Anderson, who will speak on national defense and his experience in Washington.

At the Ladies' Night meeting, last Wednesday, the largest turnout appeared of any Lions meeting to date. There were 66 present. Old fashioned dancing and music, games, and a banquet kept everyone in a happy mood. The party was held at Hilltop Lodge.

Many Groups Join First Aid Classes

Numerous applications from Daly City organizations and citizens are swelling the roll-call of the first aid classes now being conducted every Tuesday at American Legion hall.

Groups from the PTA, American Legion, Girl Scouts, and American Legion auxiliary have already signed up.

The first meeting of the first aid class was last night at 7 p. m. The class will be held every Tuesday evening at this time. The American Legion hall is at 474 San Diego avenue.

The training opportunity is offered to all men and women from 18 years old up. The school will continue fifteen weeks. This is the "standard" first aid course. An advanced course of ten weeks will follow.

The classes are sponsored by Daly City Post No. 410, American Legion.

According to Arthur Quirmbach, local representative to the county defense council, the training received in these classes is preliminary groundwork for more specialized preparation in an Air-raid Precaution service, similar to the organization of that name in England.

No Bad Accident Mars D. C. Holiday

Motorists, take heed!

The accident rate, Daly City is proud to say, is quite low in this town. "Let's keep it that way," says Police Chief James G. Reardon.

Now that school is starting again, there will be many children crossing the streets on their way to school in the morning, at noon hour, and in the middle of the afternoon.

"Keep a weather eye out for these young folks," said Reardon, Monday. "There will be many six-year-olds just starting to school, too. Let's be careful—all the time!"

TICKETS GO ON SALE FOR BIG FALL FESTIVAL

Tickets are now on sale for the fall festival and bazaar, to be staged by Our Lady of Perpetual Help church, October 3, 4, and 5.

Plans for the festival, which was given last year at this time with conspicuous success, are going ahead rapidly. General Chairman Roy Thompson announced that the money collected will go to swell the fund for the projected new school.

Father Adrian McKenna started the ticket sales, last Tuesday, by issuing tickets to the committee workers. Persons desiring tickets may obtain them by calling at the parish house.

The committee members, as announced by Father McKenna, are as follows:

QUIRMBACH REPORTS ON COUNTY AIR DEFENSE

The nearest air observation post to Daly City will be at Brisbane, it was reported, Friday, by Arthur Quirmbach, who attended the second meeting of the County Defense council in Burlingame, Wednesday afternoon.

The meeting was concerned entirely with the setting up of the nineteen observation posts in San Mateo county, a move instigated by the army.

Earl P. Wilsey, who had attended a gathering of army officials at Hamilton field, the previous Friday, reported their disposition of the air observation posts. Each post is at the center of a circle with a diameter of seven and a half miles. Daly City does not happen to fall into the area of any circle, therefore Daly City citizens will not be called upon to volunteer as observers.

Only those who live near a post will be eligible to serve as observers at the post, according to Quirmbach.

There will be an observation center in Sharp Park. The other posts will be ranged more or less in chains, along the coast, the central ridge, and the Bayside of the county.

Although Daly City will not take part in air-raid protection, it may act as a clearance center for San Francisco in case that city is attacked and many people must flee from the point of danger. This is the opinion of Richard Graves, state civilian defense chief, as expressed to Quirmbach.

The San Mateo County Defense council will have 24 members when its organization has been completed, it was announced by Wilsey. Besides city and county officials there will be representatives from the American Legion, the Red Cross, the Coastside, and two other undetermined groups.

Present members of the council are Earl P. Wilsey, Hillsborough; Percy R. Blythe, Atherton; George McPherson, Belmont; Edward R. McDonald, Burlingame; A. H. Quirmbach, Daly City; Thomas Kearny, Menlo Park; Louis Christensen, Redwood City; R. A. Rapsey, San Bruno; Julius Edling, San Carlos; William D. Soule, San Mateo; Louis Belloni, South San Francisco; John W. Poole, of the county board of supervisors; Sheriff James J. McGrath; District Attorney Gilbert D. Ferrell; County Engineer M. A. Grant; Health Officer Dr. Charles C. Gans; Fire Warden Bert Warder, and Agricultural Commissioner Max J. Leonard.

Is Marriage Good For People?

Is marriage good for people?

We really haven't any idea whether it is or not, but members of the Colma-Vista Grande Aerie No. 1848, F. O. E., are going to try to decide the question, Sunday, at Jefferson Union high school field.

The married men will play the single men in softball at 10 a. m. Who will prove themselves superior? That sober question awaits the finish of the struggle.

Chairman of arrangements for the game is Edmund Cavagnaro, assisted by Dale Hovey.

At their regular evening meeting, Thursday, the organization initiated two new members, Jesse N. Cullins, and Thomas J. Tringali. On behalf of the aerie, Brother Otto Schram welcomed the new members and spoke briefly of the aims and purpose of the F. O. E.

Under the administration of Worthy President John Craig, the aerie has initiated 26 new members into the order. According to publicity chairman, Atillio Ghiotti, the organization hopes to sur-

Say, Everybody— Don't Miss This Dance

It's going to be a barn dance!

The first dance of the school year, at Pershing school, Friday evening, will be an old-clothes, just-relax affair, it was announced by the Daly City WPA Recreation department, sponsoring the dance.

So let's everybody go, shall we? Why not? Maybe it'll neutralize some of the profound melancholy attendant upon starting school again. Who knows? Anyway, the local Recreation department, invites you to "recreate"—or in other words, dance to your heart's content at Pershing school, Friday.

ALVIN JOSEPH MOTORS DEFEAT SALESIAN BOYS

Alvin Joseph Motors turned out to be too much class for the Salesian club in their tussle on the baseball diamond at Marchbank field, Sunday.

The Motors boys overwhelmed the Salesians 14-3. Seventeen hits drove in the runs for the winners.

The game was close until the fifth inning, tied, up to that time, 3-3. Then Alvin Joseph Motors broke loose with five runs, and the losers were never again in the game.

Three baggers by Hernandez and Corriera took a lot of fight out of the San Francisco boys club, and Hernandez' habit of stealing home was a big thorn in their collective side.

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

TRAFFIC COURT

Find Driver Guilty Of Recklessness

Louis J. Firpo, 63 Werner avenue, was found guilty of reckless driving with injury in Judge Wade H. Clay's court, Friday. Firpo's case has been pending since April 4.

On the evening of March 29, Mrs. Rose Valente, 66 Theta avenue, was attempting to cross San Jose avenue when Firpo's car careened into her, knocking her down and breaking both legs and fracturing her hip.

Attorney for the defendant asked the court to postpone the sentence until today. His request was granted.

Joseph B. Sylvester, whose car ran amuck when he fell asleep at the wheel, April 19, was given a $100 suspended fine. Sylvester took care of the car damages and hospital bills of the two injured policemen, A. J. Dalton and Henry Sundermann jr. Upon the request of Sundermann, the court showed leniency.

Henry Gregory, San Francisco, was given a $15 fine for traveling at the rate of seventy miles an hour in a 45 mile zone.

William Bolsen and Mon Wong, San Francisco, were each fined $10 for speeding.

Each of the following paid $5 for speeding: Timothy J. Lynch, suspended, Burlingame; Thomas Robertson, Hayward; Walter Clement, Daly City; Manuel Rodriguez, James Welsh, San Francisco.

Fred Schied, Palo Alto; Joseph Mogie, San Bruno; Alexander Piel, J. Clarence Myers, San Francisco, each paid $2.50 for speeding.

Each of the following paid $2.50 for disregarding a signal, Jose Morales, and Robert Wyss, San Francisco; Margaret Steed, Burlingame.

Daly City Gets State Funds

James M. Carter, director of the Department of Motor Vehicles, this week announced the apportionment of $1,304.75 to Daly City as its share of motor vehicle license fees for the quarter ending June 30, last. The apportionment is based on a population of 9,625 as given by the last federal census.

Carter also announced San Mateo county will receive the sum of $11,023.36 as its share for the same quarter.

The local apportionments are a part of a total of $1,702,926.24 available to all cities and counties and the general fund after the deduction of $89,766.60 for administration and $2,830.92 for contributions to the state retirement fund were made. Under the law, the general fund receives 20 per cent, the counties 40 per cent and the cities 40 per cent.

The apportionment was made on a population of 5,024,918 for the cities and 6,907,387 for the counties.

Motor vehicle license fees are now collected by the state in lieu of the personal property taxes formerly assessed on motor vehicles by cities and counties.

A. Among the reasons are: (1) It is the quickest way in which every citizen can both serve his country and conserve his earnings, and (2) the purchase of the bonds and stamps helps not only to finance National Defense but also prevent high prices and increased costs of living.

Q. Can I pledge a Defense Bond as collateral for a bank loan?

A. No. Bonds are registered and not transferable. They are payable only to the persons named on the bond.

NOTE: To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan associaton; or write to the treasurer of the United States, Washington, D. C., for a mailorder form.

Withdraw Autos

Private automobiles and buses were withdrawn from use in Denmark because of severe gasoline rationing. It was estimated 60,000 vehicles were affected.

Jaywalkers, Beware!

JAYWALK IN HASTE and repent in leisure.

No suicide squad of any army in the world ever marched in the face of the enemy with more aplomb than the Jaywalkers.

You can see them every day. They dash out from the curb, looking neither to the right nor to the left, whether the light be red, green or amber.

Do they get away with it?

No! Reports show that in most cities pedestrians make up two-thirds of the traffic toll.

Do these careless pedestrians save time? The average time a pedestrian has to wait for a light to change is 15 seconds. To gain those 15 seconds, jaywalkers risk weeks in the hospital, perhaps death.

Laurence Olivier, Vivien Leigh Star In Historic Drama

In launching "That Hamilton Woman!" his first Hollywood production and his most ambitious picture to date, Alexander Korda selected Vivien Leigh and Laurence Olivier—the most glamorous couple in the world—to play the stellar roles in this great romance. "That Hamilton Woman!" which will play at the Daly City theatre, tomorrow, Friday and Saturday, unfolds on the silver screen one of the most stirring and unforgettable love stories of all time, the romance of Lady Hamilton and Lord Nelson.

Briefly, the story of "That Hamilton Woman!" concerns the spectacular career of Lady Emma Hamilton, wife of Sir William Hamilton, who came into this world as the daughter of a blacksmith. Her rise to prominence in Neapolitan society began with a profitable deal between the bankrupt Charles Greville and his uncle, Sir William. For ceding his sweetheart, then Emma Hart, to his uncle, Greville received funds to pay off his debts. Although the lady at first resented the exchange, her instinct for power and luxury told her that it was probably the chance of a lifetime.

The story of "That Hamilton Woman!" opens in Naples, whither the gorgeous Emma had been sent on a visit. When she discovers the real purpose of the visit, she capitalizes on it by becoming the channel of communication between the Queen of Naples and the British Minister, as well as the means of doing great service to Nelson.

To capture the era of opulence in which these vivid characters moved, Korda and his art director-brother, Vincent Korda, mapped out one of the most lavish production schedules on record today.

Vivien Leigh is, of course, the fascinating Lady Hamilton, whose captivating beauty was idealized on canvas forty times by the great portrait painter, Romney; Laurence Olivier is seen in the role of Lord Nelson, the hero of Trafalgar; Alan Mowbray is Lord Hamilton; Gladys Cooper is Lady Nelson; Henry Wilcoxson is Captain Hardy and hundreds of others fill the unusually large cast. Miss Leigh as Emma, wears forty-two costumes, designed for her by the noted French couturier, Rene Hubert, most of them copied from the Romney and Gainsborough paintings of the famous beauty.

Companion feature on the new bill will be "The Chaplin Parade," with Charlie Chaplin.

Vivien Leigh and Laurence Olivier enact a stirring love story in Alexander Korda's "That Hamilton Woman!" which will be shown at the Daly City theatre, tomorrow, Friday and Saturday.

Home Building

Because home building in San Mateo county is being seriously affected by defense priorities, building industry leaders this week are seeking means of obtaining Federal Housing Authority assistance in getting materials.

Delays in delivery of material have become so acute that it now takes fifteen to thirty days longer to complete the average residence than it did six months ago, contractors report.

Consequently the county group plans to prepare arguments for submission to FHA showing that a housing shortage exists in the county and that the county is vital in the defense housing program.

The group will point out that many workers at the shipyards, steel mills, nearby airports and army and navy bases live here.

The group hopes to present a case sufficiently strong that various government agencies will take steps to speed deliveries to the county, thereby preventing collapse of the building industry here.

New buildings, extensive landscaping and beautification of the 220 acre fairgrounds, and an elaborate program of up-to-the-minute entertainment are expected to draw record crowds to California's eighty-seventh **STATE FAIR** now being held in Sacramento.

Treasure Island visitors will remember three of the new buildings on the grounds. The Hall of Flowers, rendezvous for horticulturists during the exposition, is enjoying a renaissance, while the new Press-radio building may be familiar to those who remember the splendid Redwood Empire structure. The third carry-over feature is the Department of Agriculture's big, $35,000 cyclorama.

Silver Lining

War has a silver lining for 84,000 who were on relief last winter in St. John's, Newfoundland. Its great newsprint and its wood-pulp and mine-prop industries have been revived with the closing of the Baltic. Iron, lead, and zinc mines are again operating, while enlistments in the navy, army and civilian forestry corps have also helped to reduce unemployment.

At Jefferson Union High

Classes

First Day

Once again the old school house rang with the excited voices of hundreds of students as the doors were flung open, yesterday, to admit new freshmen and old students.

The freshmen were just a wee bit nervous, but when they found the old students were more than willing to lend a helping hand in making friends and finding their class-rooms, they began to feel more at home.

Now as the students go in for their second day of classes, the atmosphere is one of business. The matter of subjects and programs has all been taken care of, and the students are ready to begin a semester of work.

New Officers

Taking his place as the head of Jefferson's student body is James Parker, better known to his friends as "Jimmy." According to Jimmy plans are well under way to make this semester's assemblies bigger and better than ever. Lending a helping hand in the running of the student government are: Roy DeVincenzi, vice-president; Eugenia Rich, secretary; Grace Lopresti, treasurer; Tillie Castro, yell leader; Art McCrystle, judge.

Class Elections

"Now's the time for all good students to come to the aid of their class"—might well be the proverb used by the students. It won't be long until class elections will be held. So—you had better start looking your classmates over and pick officers with lots of spirit and personality.

Teachers

James Ferguson, principal spent three weeks sight-seeing in the Northwest and British Columbia, this summer. When interviewed he said "After viewing the many schools in British Columbia and the Northwest I came back better pleased than ever with our school plant and grounds."

Miss Amy Behrens has recently passed an examination which makes her eligible for a position with the Domestic Science department in one of the junior high schools in San Francisco.

Dente Lembi recently returned from Chicago where, for the past eleven weeks, he has been working on a text, "Spain in America." He has been assisting Dr. Rose Arjona, University of Wisconsin, Dr. Carvajol, of the San Antonio schools in Texas, and Miss Friedman, of the Chicago schools, with the text.

He has been requested to carry on his work during his spare time this fall.

Campus Fashions

The silk stocking shortage will not effect the modern campus queen one bit, according to the latest reports from Fifth avenue fashion experts.

Grandmother would fully approve the modern girls latest fad, the long woolen stockings. It started last semester and has grown in popularity by leaps and bounds.

On every campus this semester the girls will be seen in hip-length sweaters (less shape the better), boys' jackets, short skirts and long woolen stockings.

Some of the latest styles and colors in the ever-popular sweater are those beautiful, thick woven shetland yarn sweaters knitted on imported hand frames to give them that handmade appearance. They come in slipovers and cardigans. They're certainly handsome, fashioned in blue larkspur, pink hollyhock, yellow daffodil, and green fern colors. Any of these colors look simply "scrumptious" with a brown skirt, jacket and long stockings of matching color.

A skirt that has made a definite hit with high school debs is the reversible. Yes sir, believe it or not, fashion experts have found a way to make the dollar stretch farther. With this new reversible skirt you can wear a hound's-tooth checked tweed today and a cotton gabardine tomorrow.

That Whipped Cream Muffin

By Frances Lee Barton

LITTLE Miss Muffet
She sat on a tuffet.
Kid Muffin was in a greased dish.

But no Cinderella
Was this little fella'
'Twas Miss Muffet who harbored the wish.
She did not want quinces
Plums, cherries or princes
Or pumpkin-shell wagons a'gleam.
She wanted Kid Muffin
Without any bluffin'
Because he was filled with whipped cream.

Whipped Cream Muffins

1¾ cups sifted cake flour; 2 teaspoons double-acting baking powder; ½ teaspoon salt; 4 tablespoons butter or other shortening; 3 tablespoons sugar; 1 egg, well beaten; ¾ cup cream, whipped.

Sift flour once, measure, add baking powder and salt, and sift again. Cream butter, add sugar, and cream thoroughly; then add egg and beat well. Add flour and whipped cream alternately, stirring and folding carefully after each addition. Turn into greased muffin pans, filling them ⅔ full. Bake in hot oven (425° F.) 15 minutes, or until done. Makes 12 to 14 muffins.

Cherry Whipped Cream Muffins. Fill greased muffin pans a scant ⅔ full. Press 3 well-drained, canned red cherries firmly into each muffin. Combine 1 tablespoon sugar and a dash of cinnamon and sprinkle over tops of muffins. Makes 16 muffins.

Canada now has about 575,000 men in uniform in all branches of the service abroad and at home and these forces, no matter where serving, are equipped and maintained at the expense of the Canadian people.

Ancient Decorations

Shell, crystalline spar, bone and ivory were all employed by the ancients for architectural decoration. On these hard substances, the colorists could produce excellent designs. The thin film of color, however, was not durable—it soon wore away and light places showed through. Since those days, modern methods of decoration include certain mordants to set the colors and the steeping of small articles made from such dense substances in a dye bath for several hours.

What is advertising, anyway?

A lot has been written about advertising.

A lot of speeches have been made about it.

But the whole fact in a nutshell is —advertising is simply a time-saver.

It saves time for the man or woman who wants to buy something—and for the store or factory with something to sell.

And like most time-savers, it's a money-saver too.
